Hi All,

Please let me know if you can help us divide and conquer getting petitions signed.

Attached you will find two petitions. One is for businesses (commercial) and the other one is for residents that live along 2nd street (residential).

If you are going to go around with getting petitions signed I would also print out the flyer can keep that on top of the petition page.

I plan on hitting the street on Tuesday afternoon around 3pm.

Please let me know if you can join / help.

ps. Anyone know how we can best reach the residents of Hikari?

Thanks!
james.
